A B O U T M E

I am an energetic, self-motivated & passionate under-graduate. I possess strong, analytical & problem-solving skills. I believe in learning new skills and improving the skills.

I have gained a lot of knowledge and skills from internet and also hands on several project to polish skills. I pursued my field of interest from a very long time and now it's the right time to show off my skills from the right platform as a Web Developer.
